 - a) **QCA Audit Report**

We are conducting research into current issues within the audit market. In particular, this research will focus on the increasing cost of audit and the decreasing availability of auditors for small and mid-sized quoted companies. We are expecting to publish the results of this research in the first quarter of 2024.

Next meeting: Tuesday 16 April, 9.00am – 10.30am. Videoconference call.
